To celebrate June as the Great Outdoor Month, the staff at the Bureau of Library Development decided to have an outdoor photo shoot called "Hike with a Geek Day."

We had a lot of fun! Follow us on Facebook and Twitter to see more of our photos from the shoot.

Best wishes,

Florida Electronic Library

Florida Department of State, Division of Library and Information Services

We are excited to announce that there are some enhancements coming to many of the Gale resources in the Florida Electronic Library over the course of the summer. These enhancements will make our resources even more mobile-friendly and intuitive to use.

The *Academic OneFile* and *General OneFile*, along with the Infotrac collections and *Research in Context*, will be the first resources in which you'll notice changes.

For a full list of the products that will have enhancements and a schedule of launch dates, see Gale's [Product Enhancements](#) page.

Gale has scheduled online training throughout the summer to show you the new look and feel of these resources. See the sidebar for times and dates for the live events or go to the [FEL Support Training page](#). All of the trainings will be recorded and available on the [Recorded Webinars](#) section of the FEL Support Training page.

For more information, contact Dorothy Frank at dorothy.frank@dos.myflorida.com or 850.245.6631.

The [FY 2017-2018 data tables](#) for Florida's public libraries for are now available on the Bureau's website.

Additionally, the Institute of Museum and Library Services has released the data for 2016. Be sure to check out [state profiles](#) and the [annual report](#).

Disaster Response

Did you catch our webinar [Recognizing and Referring: The Legal Needs of Survivors of Disasters](#)? Our presenter, Kathy Grunewald, is the lead Disaster Response attorney at Legal Services of North Florida. She joined Bureau consultants Emily Hart and Kaycee Shiley to share her advice and expertise about the resources most needed by people who have recently experienced a hurricane or other natural disaster.

If you have questions or information about disaster response in your community, contact Emily Hart at emily.hart@dos.myflorida.com or Kaycee Shiley at kaycee.shiley@dos.myflorida.com

Community Engagement & Resources

As libraries across Florida evolve to meet the changing needs of their communities, the Bureau of Library Development strives to do the same to ensure that we meet the needs of library staff.

Beginning July 1, 2019, the E-Government program will become the Community Engagement and Resources program. E-Government resources will continue to be provided, but we are excited to expand into new program areas.

Some of the areas that will receive special attention include but are not limited to:

- Statewide partnership opportunities.
- Telling the library story.
- Community outreach.
- Creating graphic materials to highlight library data.

The Gateway to E-Government newsletter will be updated to reflect this change.

Share what your library is doing with community engagement services. Contact Kaycee Shiley at kaycee.shiley@dos.myflorida.com or 850.245.6625.

We're on Facebook and Pinterest!

Come visit, like, chat and share with us at our [Facebook](#) page or [Pinterest](#) account.

We can't wait to share what we're doing here at the Bureau. We are especially excited about sharing what YOU are doing!

Please contact Melissa Hooke at melissa.hooke@dos.myflorida.com or 850.245.6632 to submit programs, pictures or interesting news you would like us to share about your library.
