FLORIDA PUBLIC DOCUMENTS

Division of Library and Information Services
Office of Information Access Services
Department of State
January - March 2010
INTRODUCTION

Florida Public Documents is a quarterly listing of state publications distributed by the Division of Library and Information Services under the provisions of Chapter 257.05, Florida Statutes.

The state documents listed are available to Florida citizens for use either in the depository libraries or on interlibrary loan, subject to each library's regulations. These documents are not available as gifts or for sale from the depository libraries or the Division of Library and Information Services. State agencies have the option of referring inquiries to any of the depository libraries rather than honoring requests for publications. The Exchange Program for universities is operated by the University of Florida libraries, Gainesville.

State agencies have provided copies of documents for distribution in accordance with 257.05 (2), Florida Statutes. Copies of each document produced in quantities of 40 or more are distributed to the depository libraries; documents produced in smaller quantities are deposited only at the Division of Library and Information Services in Tallahassee and are indicated with the following: “Not distributed; owned at State Library.” Electronic documents are held on the Division of Library and Information Services server.

The Division of Library and Information Services, in cooperation with the Florida Atlantic University Documents Department, has included the FAU KWIC Index classification numbers.

All of these documents, and state documents from prior years, are listed in the Division of Library and Information Services online catalog, which provides author, title, subject, and keyword access. The catalog is available via the Internet at http://library.florida.gov/.

If you have any questions or suggestions concerning the State Documents Depository Program, please contact the Florida Room at the Division of Library and Information Services at 850.245.6682.
